THE CHARTER TOWNSHIP OF EUREKA (the “Township”), COUNTY OF MONTCALM, AND STATE OF MICHIGAN ORDAINS:

Section 1. **Purpose**: Eureka Charter Township hereby finds that persons in and traveling through the Township historically have needed, caused or contributed to the need for certain public safety and fire emergency services, which needs and situations have negatively affected the health, environment, and welfare of some Township residents and real property located within the Township. In addition, the Township has found that it has incurred significant costs associated with the providing of such public safety and fire emergency services. As a result of these determinations, the Township has adopted this Ordinance to allow the Township to recover costs and expenses incurred by the Township (or a contracted third party or municipality on behalf of the Township) in connection with the providing of such public safety and fire emergency services.

### Section 3. **Assessment of Costs**:

(a) All assessable costs associated with any of the actions or services described in subsections (1) through (8) below may be jointly and severally assessed by the Township to any or all responsible parties:

(1) Assessable costs incurred to halt, abate, remediate, clean up or remedy any release of any hazardous materials and any liabilities resulting therefrom;

(2) Assessable costs incurred to extinguish or fight a fire at any nonresidential structure or vacant property, any demolition costs if the nonresidential structure must be demolished to protect the public safety following the fire, and any liabilities resulting therefrom;

(3) Assessable costs incurred in connection with a utility line failure and any liabilities resulting therefrom;

(4) Assessable costs incurred in connection with any water rescue attempt and any liabilities resulting therefrom;

(5) Assessable costs associated with a motor vehicle accident or motor vehicle fire and any liabilities resulting therefrom;

(6) Assessable costs associated with excessive requests for emergency assistance and any liabilities resulting therefrom;

(7) Assessable costs incurred to extinguish or fight a fire at any residential structure, and demolition costs if the residential structure must be demolished to protect the public safety following the fire and any liabilities resulting therefrom where the fire was caused by illegal conduct or reckless behavior; and

(8) Assessable costs associated with a false alarm and any liabilities resulting therefrom.

(b) Each responsible party shall reimburse that Township for the assessable costs specified in any statement provided by the Township to the responsible party within 30 days of the responsible party's receipt of such statement.

(c) Any assessable costs which become known to the Township following the transmittal of a statement to the responsible party pursuant to this Ordinance shall be billed in the same manner on a subsequent statement to the responsible party.

(d) The Township Treasurer (or his/her designee) shall certify to the Township Supervisor (or his/her designee) the total assessable costs incurred by the Township (or by a third party independent contractor or municipality providing services or representing the Township). The Township Supervisor (or his/her designee) shall then decide whether to assess any, all, or part of the costs against any or all of the responsible parties. In deciding whether to assess any, all, or part of the costs against any or all of the responsible parties, the Township Supervisor (or his/her designee) shall consider the following factors:

(1) The total costs incurred by the Township (or by a third party independent contractor or municipality providing services to or representing the Township) including but not limited to materials, equipment, personnel, administration, assistance from other sources, etc.;

(2) The risks to the Township, its residents, their property, or any other people or property which result from the situation which caused the Township to incur assessable costs;

(3) Any injuries or damage to people or property which resulted from a situation which caused the Township (or a third party independent contractor or municipality providing services to or representing the Township) to incur assessable costs;

(4) Whether the situation which caused the Township (or a third party independent contractor or municipality providing services to or representing the Township) to incur assessable costs necessitated an evacuation;

(5) Whether the situation which caused the Township (or a third party independent contractor or municipality providing services to or representing the Township) to incur assessable costs resulted in any damage to the environment; and

(6) Any other factors deemed relevant by the Township Supervisor.

(e) The Township Supervisor (or his/her designee) may, after consideration of the factors listed in subsection 3(d) above, allocate the costs among and between the responsible parties. Any costs not allocated among or between responsible parties shall be a joint and several liability of each responsible party assessed costs pursuant to Section 3(d), regardless of whether that responsible party has any other legal liability apart from this Ordinance, and regardless of whether such person or entity is at fault.

(f) The Township Supervisor (or his/her designee) shall direct the Sheriff and/or Director of Public Safety to send reporting(s) to either the Township Clerk or a third party as designated by the Township. The Township Clerk or third party will be responsible for disbursement of claims pursuant to this Ordinance to all responsible parties so assessed. A claim statement shall be dated and sent First Class United States Mail, postage prepaid, to the last known address of each responsible party.

(g) The Township may charge any costs assessed pursuant to this Ordinance to the insurer of any responsible party. The submission of an invoice, for the assessed costs to an insurer, does not in any way limit or extinguish the liability of a responsible party for the costs assessed pursuant to this Ordinance until such time as the assessed costs are paid in full.

(h) If the Township Supervisor (or his/her designee) or the Township Board decides not to assess all or part of its costs against any responsible party, such decision shall not in any way extinguish or limit a responsible person's liability to other parties for any costs or damages of any kind arising from the incident or release.

Section 4. **Notice and Right to Appear Provisions:**

(a) Any responsible party who receives a statement of costs from the Township assessed pursuant to this Ordinance shall be given the opportunity to appear before the Township

Board to request a waiver or modification of the assessed costs. Any responsible party who desires to appear before the Township Board shall file a written request with the Township Clerk within 14 calendar days of the date of the statement of assessed costs. The responsible party will be placed on the agenda of the next regularly scheduled or special Township Board meeting which is at least 14 calendar days after the date on which the responsible party files with the Township Clerk a request to appear. Any filed request to appear shall specifically identify and explain all reasons why the responsible party believes the costs assessed pursuant to this Ordinance should be modified or waived. Any reason, basis or argument for a modification or waiver of the assessed costs not set forth in the written request to appear shall be deemed waived by the responsible party. Failure to file a written request to appear within 14 days of the date of the statement of assessed costs shall constitute a waiver of the responsible party's right to appear before the Township Board and the responsible party's agreement to pay the assessed costs, which payment must be made within 30 days of the date of the statement sent to the responsible party.

(b) At the Township Board meeting, any responsible party who has filed a timely written request to appear shall have the opportunity to address the Township Board regarding the written request that the Township Board modify or waive the assessed costs. The responsible party shall be limited, in addressing the Township Board, to those reasons and bases set forth in that responsible party's written request to appear. The Township Supervisor shall have the opportunity to address the Township Board to explain the process by which the assessed costs were determined and allocated. The Township Board, after hearing from the responsible party and the Township Supervisor, shall review the assessed costs and make a final determination regarding the costs assessed to the responsible party. The Township Board shall pass a motion or resolution detailing its final determination regarding the assessed costs. The Township Clerk shall then send an updated statement of assessed costs to the responsible party, by first class United States Mail, with postage prepaid, to the last known address of the responsible party. The assessed costs shall be due and payable 30 days from the date of that statement. If the responsible party fails to pay the assessed costs within those 30 days, the Township shall have available to it all remedies available under Section 5, below.

Section 5. **Failure to Pay; Procedure to Recover:** To the extent allowed by applicable law, the Township may pursue any responsible party under subsection (a)

(a) Any responsible party who fails to timely pay the costs assessed pursuant to this Ordinance shall be considered in default. In the case of default, the Township Board may authorize the Township Attorney to commence a civil action to recover the costs, plus a late payment penalty of one percent per month or part of a month during which the costs remain unpaid, together with attorney fees and any other costs allowed by law.

Section 6. **Severability and Captions:** This Ordinance and its various parts, sections, subsections, sentences, phrases and clauses are declared to be severable. If any part, section, subsection, sentence, phrase, or clause is adjudged unconstitutional or invalid by a court of competent jurisdiction, the remainder of this Ordinance shall not be affected. The captions included at the beginning of each section are for convenience only and shall not be considered a part of this Ordinance.

Section 7. **Administrative Liability**: No officer, official, contractor, agent, employee or member of the Township shall be personally liable for any damage that may accrue to any person as a result of any act or decision performed in the discharge of duties and responsibilities pursuant to this Ordinance.

Section 8. **Repeal**: All resolutions or ordinances in conflict (in whole or in part) with any provision of this Ordinance are hereby repealed to the extent of any such conflict.

Section 9. **Effective Date**: This Ordinance was approved and adopted by the Township Board of Eureka Charter Township on November 11, 2013. This Ordinance shall be effective upon the expiration of 30 days after publication in a newspaper with general circulation in the Township, pursuant to the provisions of Act No. 191 of the Michigan Public Acts of 1939, as amended.
