Leaf Exchange Program

To help our environment we started a LEAF EXCHANGE PROGRAM that will give our residents another option for the disposing of leaves –

to eliminate the need to burn leaves.

We connect people who want leaves with people that do not want leaves.

The Township has a data base that keeps names and addresses of residents that want to give there leaves away with a list of people that want to receive leaves for compost or mulching. All the resident has to do is call the Township to be added to the exchange list and receive a copy of the list.

Also, Nathan Schmiedicke has an organic farm and will take all the leaves anyone wants to donate. Nathan mulches with compost made from leaves. He only asks that residents DO NOT leave plastic bags, boxes or any other containers behind. Mr. Schmiedicke is located at 6705 W. County Line Road (Montcalm Avenue). Follow the signs posted on his property.

If you have questions, concerns or want to make suggestions please call, the Township Secretary at the above phone number.

Eureka Charter Township hopes you will consider disposing your leaves in our Leaf Exchange Program;

WE ALL NEED A HEALTHY ENVIRONMENT
